INSTRUCTION – PROMPT & SEND TO AI

The screenshot shows the Open WebUI interface. At the top, the model selector is set to 'AiM.Deepseek-v3-1'. On the left sidebar, the 'New Chat' button is highlighted. The main chat area shows the model name 'AiM.Deepseek-v3-1' and a text input field. The input field contains the text '2.Type your prompt'. Below the input field, there are three annotations: '1.Model Selector' pointing to the model name, '2.Type your prompt' pointing to the input field, and '3.Send to AI' pointing to the send button. The send button is a circular icon with an upward arrow. Below the input field, there is also an annotation 'Shift + Enter New Line' pointing to the input field.
